

# Question 1

$$y = 2x$$

---

a)

Does this line have a positive or negative gradient?

☐ Positive    ☐ Negative

Score: 0/1

b)

What is the gradient of this line?

\_\_\_\_\_

Score: 0/1

c)

What is the y-intercept of this line?

This is the point where the function intersects the y-axis.

(0, \_\_\_\_\_ )

Score: 0/1

---
